DETAILED ACTION

1 A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/21/2006 has been entered.

EXAMINER'S AMENDMENT

2 An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

In claim 63, in line 1, replace "composition " with -- kit --.

In claim 64, in line 1, replace "composition " with -- kit --.

3 Claims 1-64 are allowed.

STATEMENT OF REASONS FOR ALLOWANCE

4 The following is an examiner's statement of reasons for allowance:

The obviousness rejection of the claims over Legrand et al. (US 6,379,401 B1) in view of Lorant et al. (US 2003/0036490 A1), has been rendered moot because the comparative data submitted in the Declaration filed on 12, 21, 2006, is sufficient to rebut any case of prima facie obviousness of the claimed combination of ingredients, because the data show that the color of

the hair obtained with the inventive composition B ($L = 43.23$) is lighter than the color of the hair obtained with the comparative composition C ($L = 40.19$) and therefore, the bleaching of the hair obtained with inventive composition B is more intense ($\Delta E = 33.4$) than the bleaching of the hair obtained with comparative composition C that does not comprise the copolymer of the claimed invention ($\Delta E = 29.9$). Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of human keratin fibers bleaching formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
